Too Much 'N' Not Enough

**For heaven's sake
What are you trying to do?**

**For heaven's sake yeah
What are you trying to do?**

**You are in the middle of
Too much 'n' not enough**

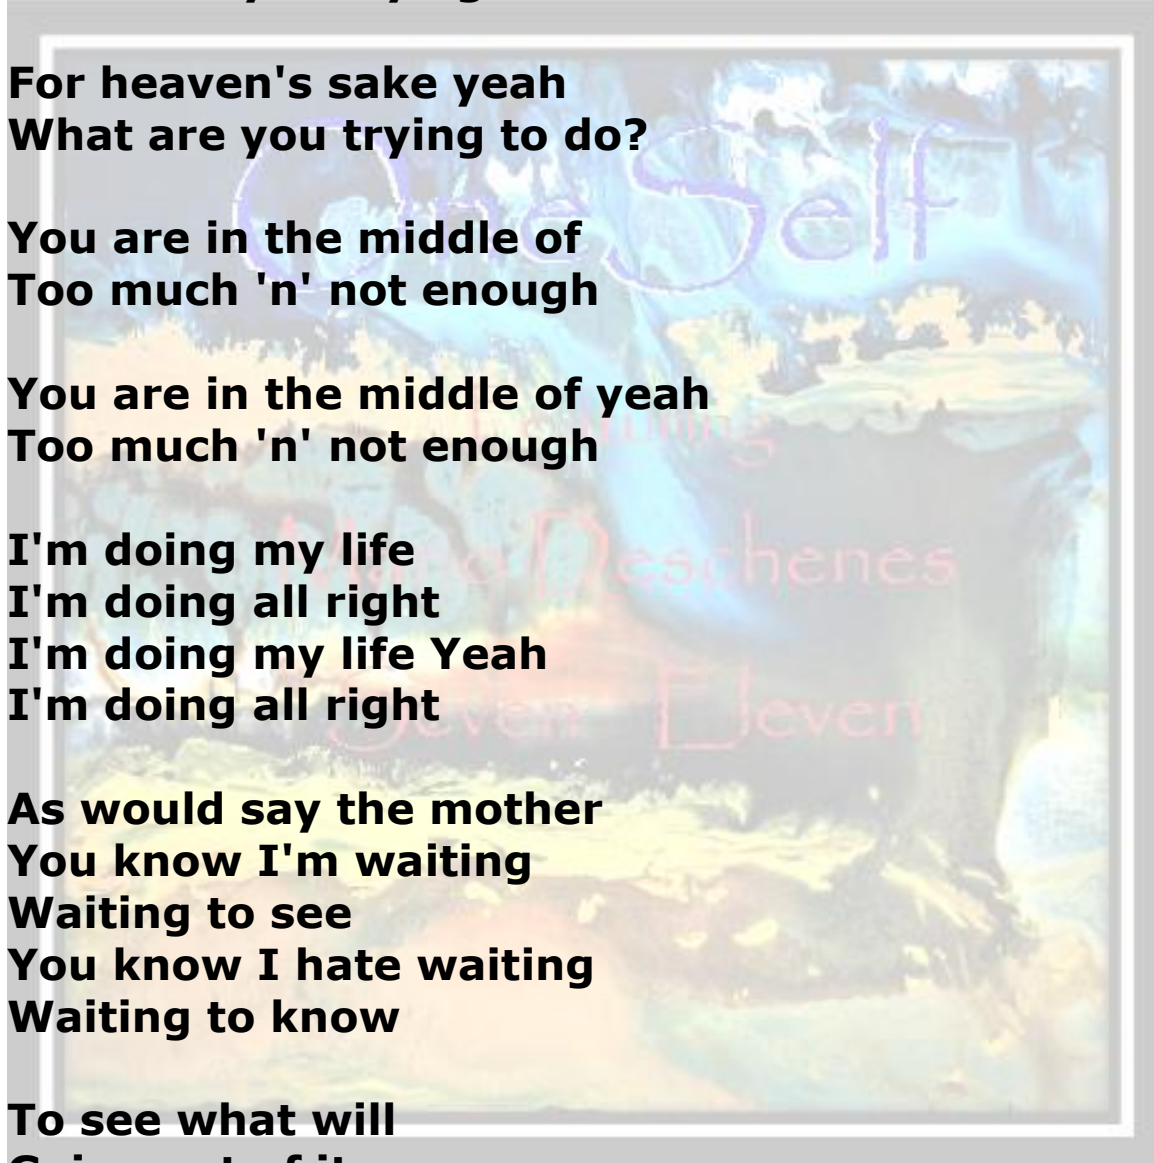

**You are in the middle of yeah
Too much 'n' not enough**

**I'm doing my life
I'm doing all right
I'm doing my life Yeah
I'm doing all right**

**As would say the mother
You know I'm waiting
Waiting to see
You know I hate waiting
Waiting to know**

**To see what will
Going out of it
What I saw is**

**You are in the middle of
Too much 'n' not enough**

**You are in the middle of yeah
Too much 'n' not enough**

**I would like to know
To understand to see
To feel what is**

**You are in the middle of
Too much 'n' not enough**

**You are in the middle of yeah
Too much 'n' not enough**

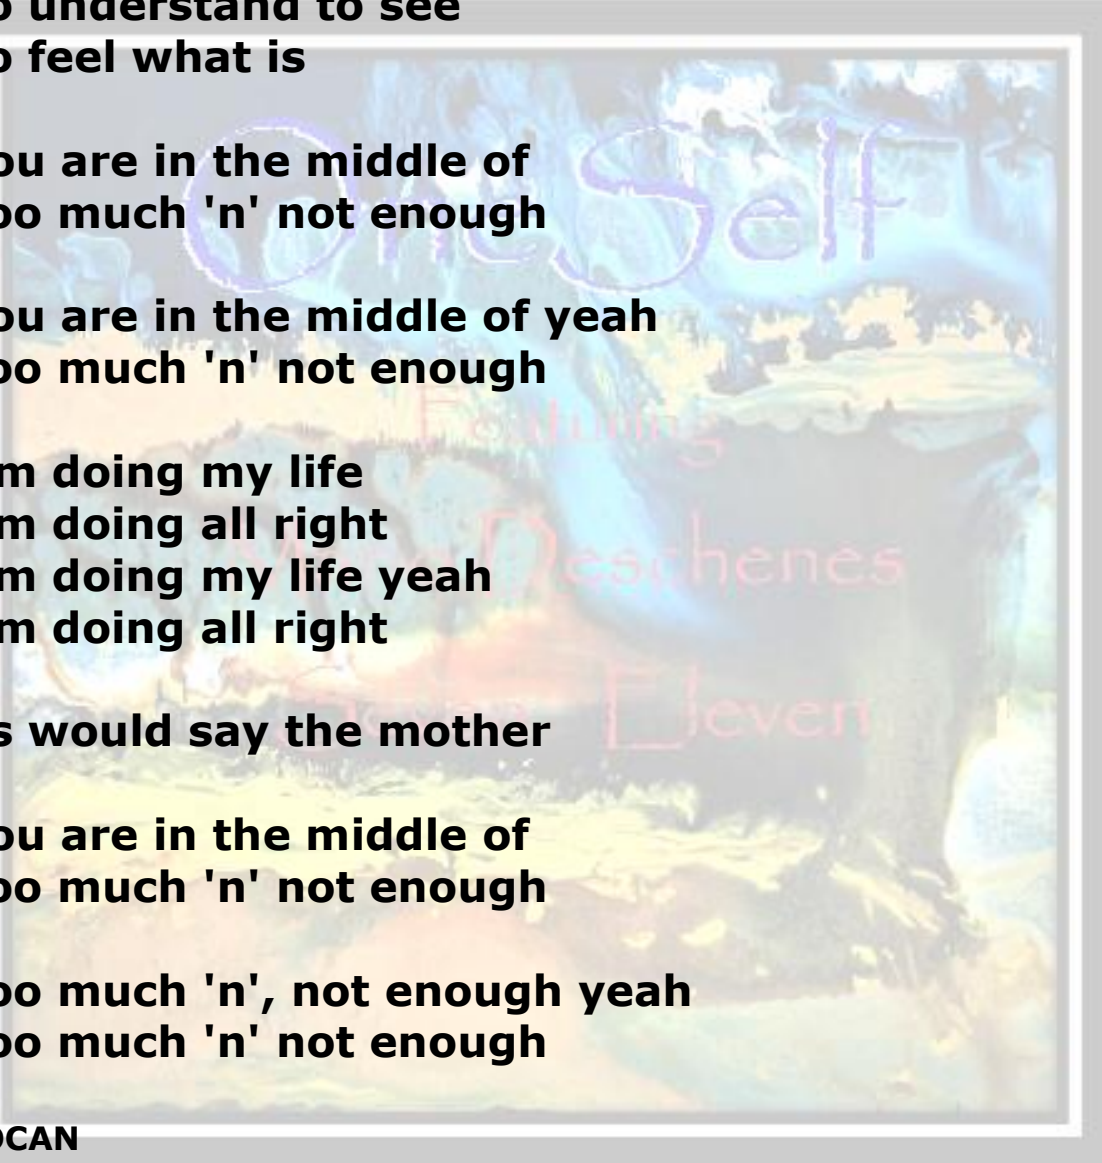

**I'm doing my life

As would say the mother

**You are in the middle of
Too much 'n' not enough**

**Too much 'n', not enough yeah

What your life is about?**

**Tell me

Who. I gonna meet Who
What. It gonna bring me
How. I gonna meet you**

**I don't know
I don't see

Days to come 'n' go 'll be my light
I will appreciate the things I've done**

Originale et Originelle

Originale et Originelle

Tout compte fait

Oui c'est bien elle

A bien y penser

Elle est tout

Tout a fait

Originale

Originale et Originelle

Tout compte fait

Oui C'est bien elle

A bien y penser

Elle est tout

Tout a fait

Originelle

Originale et Originelle

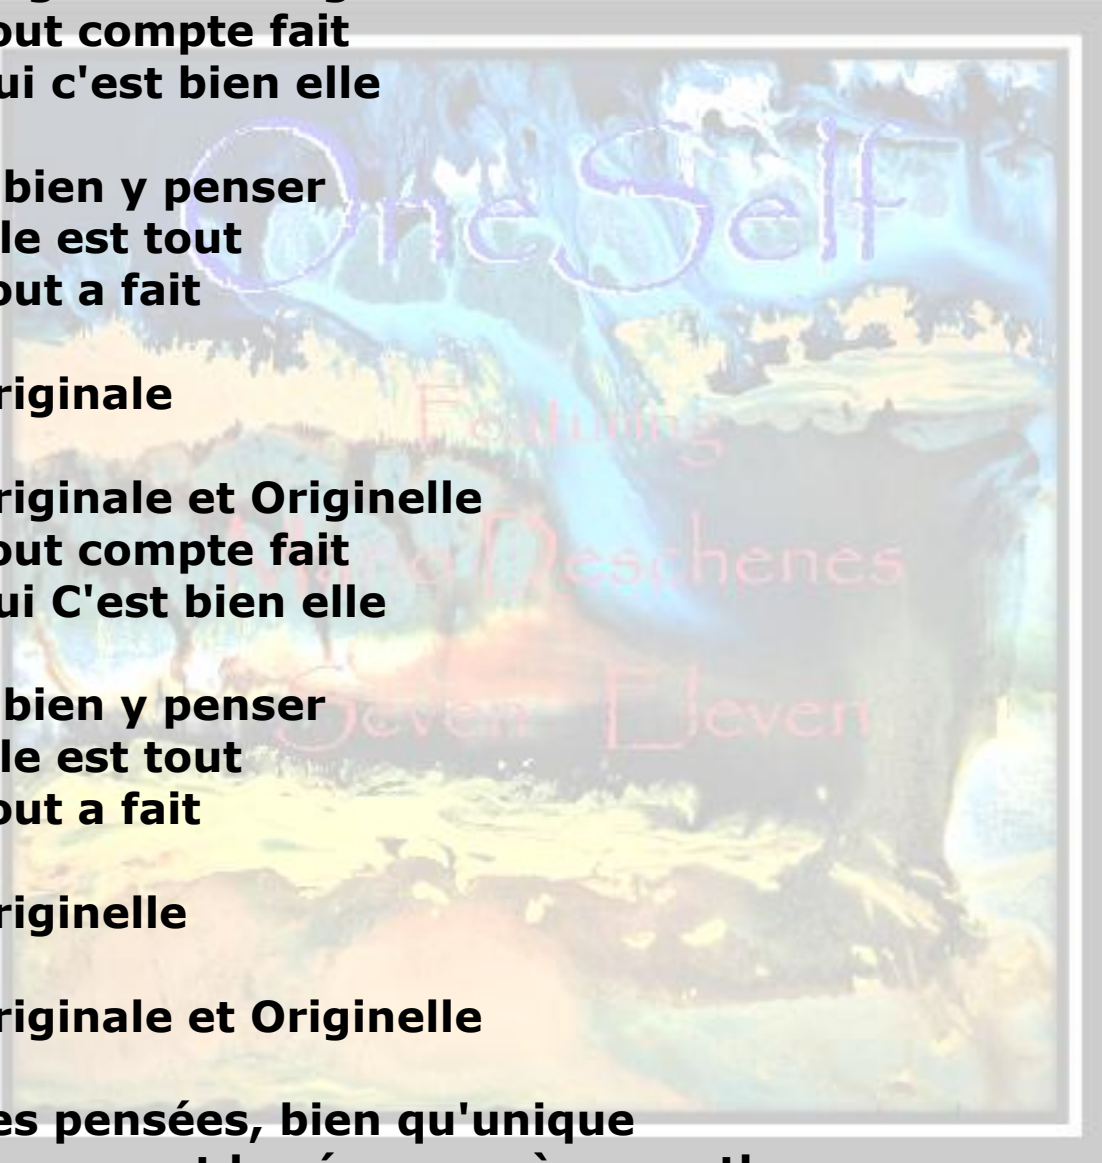

Ses pensées, bien qu'unique

Traversent les époques à son rythme

Les espaces visités font échos de son passage

Les lieux de son enfance ne sont qu'errances

Originale et Originelle

**Ses traces bien qu'authentiques
Visitent les époques à son rythme
Les gens côtoyés font échos de son image
Les chemins de son enfance ne sont
qu'apparences**

**Originale et Originelle
Tout compte fait
Oui C'est bien elle**

**Son passé, ses traces
Ses pas, ses mots**

**Tout compte fait
Oui C'est bien elle**

Tout à fait elle

A stranger for me

**She talks out of tune
She walks off the way
She cries to the moon
The same things all-day**

**She seems to be happy
Don't ask me for more**

**She seems to be so free
Don't ask me some more**

**She thinks out of time
She runs off the road
She prays for a sign
The same things old code**

**She seems to be happy
Don't ask me for more**

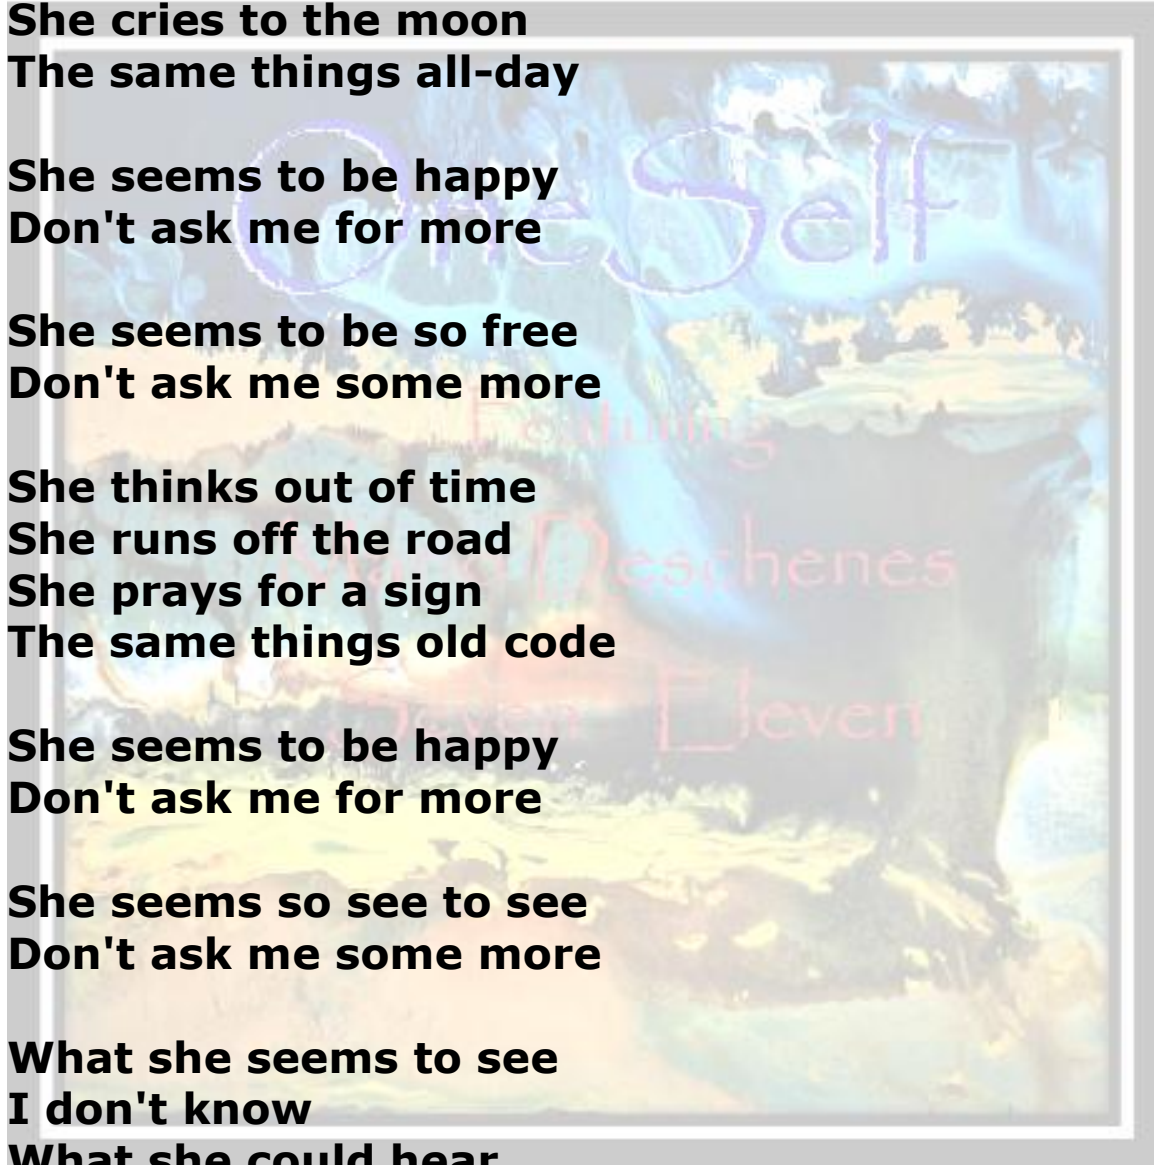

**She seems so see to see
Don't ask me some more**

**What she seems to see
I don't know**

**What she could hear
I don't know**

She is completely a stranger for me

**She lives out of life
She floats off the ground**

**She shines a light
She's always around**

**She seems to be happy
Don't ask me for more**

**She seems so free to see
Don't ask me some more**

**What she seems to see
I don't know
What she could hear
I don't know
She is completely a stranger for me**

Dans les yeux d'un enfant
(Au loin Au loin)

**Dans les yeux d'un enfant
Le monde semble si pure
Les nuages sont des moutons
La pluie les larmes des saisons**

**Le vent lui souffle à la figure
Il n'entend pas les larmes
des adultes qui pensent tout haut**

Au loin Au loin

Qui pensent tout haut Au loin Au loin

**Il se voit devenir
Un homme grandir
Ses préjugés des mots
Armés de haine
Lui collent à la peau**

**Le soir il rêvent
De ses yeux d'enfant**

**Dans les yeux d'un enfant
Le monde est si joyeux
Le sourire dégèle les âmes perdus
La lumière vient de se souvenir**

Les années lui grimpent au visage

**Il n'écoute que le souffle las
Des maux qui volent tout bas**

Au loin Au loin

Qui volent tout bas Au loin Au loin

**Il se voit devenir
Un homme grandir
Ses préjugés des mots
Armés de haine
Lui collent à la peau**

**Le soir il rêve
De ses yeux d'enfant**

**Ou sont passés les heures
De cette enfance les heures
A ne plus se souvenir
Qu'il faut s'arrêter**

**que tout cela n'est que souvenir
D'un temps passé presque oublié**

As a life that must be held
As a woman that must be bold

Une Mère ct' Une Mère

**Une mère c't'une mère
Quoi qu'on en dise**

La mère c't' une mère

**Je suis la plume de son histoire
Les mots que l'on a vécus**

**Je suis témoin de ses âges
Des maux que l'on a vaincus**

**Une mère c't' une mère
Quoi qu'on en dise**

La mère c't' une mère

**Que dire de plus
Nous l'avons vécu
A notre manière
Tous et chacun**

**Une mère c't' une mère
Quoi qu'on en dise**

La mère c't' une mère

**Son histoire, la qu'elle je suis témoin
Est leurs histoires**

**Leurs histoires, la qu'elle nous sommes
témoins
Est notre histoire.**

**Une mère c't' une mère
Quoi qu'on en dise**

La mère c't' une mère

Quoi qu'on en fasse

**Elle a fait sa place
Nous sommes tous ses traces**

Une mère c't' une mère

**A mon avis tout a été dit
Ou presque
A part ce qui reste**

You and Your Children

**I have to tell you
A thing or two
To do what to do
With you and your children**

**I disagree with the way you move
You and your children
Til the end
You have to show them
To the end
What do they have to do or not
By their hands**

You and your children

**You forgot your dreams
You can't remember them
You denied oneself a promise you made
To your angels, your angels**

**You and your children
You and your angel**

**You and your children
You and your angel**

**You and your children
You and your Angels**

Dreaming of Tomorrow

**Dreaming of tomorrow
Doesn't know she has to go
Not sure she will grow
Got a little idea she has to know**

**To go in days to come
That will change in years**

**Reading about going in
Doesn't see she has to be
Not sure she will meet
Got a little idea she has to know**

**To go in days to come
That will change in years**

**Don't be afraid of your fears
Truth sometimes comes with tears
Treat yourself as the one you want dear
You have everything near your fingers dear**

**Learning about you mean
Doesn't expect the light you're in
Not sure she'll be going
Got a little idea she has to**

**To go in days to come
That will change in years**

**So you've got the knowledge you say
A lot you try to convince me
Only 16 you mean**
